ACCUSATION

15 License No. C 22933)

16 Respondent.)
17

18 Robert Rowland alleges:

19 1. He is the Executive Director of the Board of
20 Medical Quality Assurance and makes this accusation in his
21 official capacity.

22 2. In 1961, the Board of Medical Examiners issued
23 to respondent License No. C 22933. The license is in full
24 force and effect.

25 3. Pursuant to sections 2360, 2361 and 2372 (all
26 section references are to the Business and Professions Code),
27 every certificate may be licensed or revoked or the holder

1 placed on probation if he is guilty of unprofessional conduct.

2 4. Section 2363 provides:

3 "The suspension or revocation by another state
4 of a license or certificate to practice medicine issued
5 by that state to a person also holding a certificate
6 under Chapter 5 (commencing with Section 2000) of
7 Division 2, shall constitute grounds for suspension or
8 revocation of such certificate in this state."

9 5. The respondent's license is subject to
10 suspension or revocation as follows:

11 A. On July 25, 1979, the New Mexico Board of
12 Medical Examiners found respondent had violated the
13 terms of a probationary order, dated October 28, 1975,
14 by the self-administration of Demerol. The New Mexico
15 Board suspended respondent's license to practice medicine
16 in that state and ordered respondent to surrender his
17 controlled substances registration certificate to the
18 Drug Enforcement Administration of the U. S. Department
19 of Justice.

20 B. On November 26, 1979, the New Mexico Board
21 reinstated respondent's license on the conditions,
22 among others,

23 (1) respondent not reapply for a controlled
24 substances permit

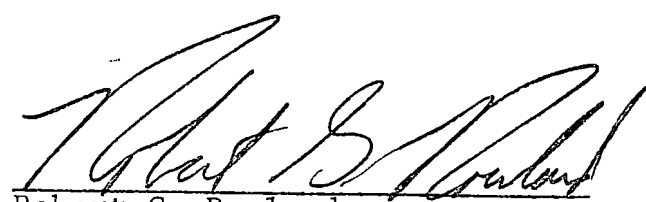

25 (2) respondent shall submit on demand by
26 his psychiatrist or the Board to an analysis of his
27 blood or urine, or both

1 (3) respondent shall abstain from excessive
2 use of alcohol

3 Since respondent's license was suspended, grounds
4 exist under section 2363 for suspension or revocation of
5 respondent's license in California.

6 WHEREFORE, respondent prays a hearing be held on
7 the matters alleged, and after proof that the Division enter
8 an order suspending, or revoking respondent's license or
9 placing him on probation.
